3. Umbrella Fund

The Company is an “**umbrella fund**” comprising separate portfolios of assets and liabilities attributable thereto referred to herein as Sub-Fund(s) which may comprise one or more Classes of shares as further described in Clause 9 of Appendix II by reference to which shares are issued.

4. Issue of shares

- (a) Shares may only be issued as fully paid and shall have no par value.
- (b) The amount of the paid up share capital of the Company shall at all times be equal to the Net Asset Value of the Company.
- (c) The Directors may from time to time issue fractions of shares. Notwithstanding anything contained in the Articles the holder of a fraction of a share may not exercise any voting rights in respect of such share.
- (d) The Directors may issue any of the unclassified shares as participating shares in a Sub-Fund with such rights or restrictions as the Directors may determine. The Directors may issue more than one Class of shares which participate in a Sub-Fund. The provisions contained in Clauses 2 to 8 of Appendix II shall govern the terms and conditions relating to the issue of shares.
- (e) The Directors, on the allotment and issue of any shares, may impose restrictions on the transferability or disposal of the shares as may be considered by the Directors to be in the best interests of the Holders as a whole.
- (f) The Directors may in their absolute discretion refuse to accept any application for shares in the Company or accept any application in whole or in part without assigning any reason therefore and if an application for shares is rejected, the Directors may return the application monies or the balance thereof to the applicant, with or without interest at the Director's discretion, and at such time, place and manner as the Directors may determine.

- (i) Notwithstanding any other provision of these Articles, the Directors may permit title to the shares to be transferred by means of a computer based system and the Directors shall have the power to implement any arrangements they think fit for evidencing title and arranging transfer of such shares and may implement any ancillary arrangements (including any anti-money laundering requirements) which seem to them necessary or desirable in respect of shares to be transferred in such a system.
- (j) The Directors may in their absolute discretion at any time, without notice, discontinue the issue and sale of Shares of any Fund of the Company.

5. Variation of rights

- (a) Whenever the share capital is divided into different Classes of shares, the rights attached to any Class may be varied or abrogated with the consent in writing of the Holders of three-fourths in number of the issued shares of that Class, or with the sanction of a special resolution passed at a separate general meeting of the Holders of the shares of the Class, and may be so varied or abrogated either whilst the Company is a going concern or during or in contemplation of a winding-up but such consent or sanction will not be required in the case of a variation, amendment or abrogation of the rights attached to any shares of any Class if, in the view of the Directors, such variation, amendment or abrogation does not materially prejudice the interests of the relevant Holders or any of them. Any such variation, amendment or abrogation will be set out in a supplement to (or re-statement of) the relevant Supplement originally issued in connection with the relevant shares, a copy of which will be sent to the relevant Holders entered on the Register on the date of issue of such document and will be binding on the relevant Holders. The quorum at any such separate general meeting, other than an adjourned meeting, shall be two persons holding or representing by proxy at least one third in nominal value of the issued shares of the Class in question and the quorum at an adjourned meeting shall be one person holding shares of the Class in question or his proxy.
- (b) The rights conferred upon the Holders of the shares of any Class issued with preferred or other rights shall not, unless otherwise expressly provided by these Articles or the terms of the issue of the shares of that Class, be deemed to be varied (i) by the creation or issue of further shares ranking *pari passu* therewith or subordinate thereto or (ii) by the alteration of the distribution policy attributable to any Class of share.

6. Trusts not recognised

Except as required by law, no person shall be recognised by the Company as holding any share upon any trust, and the Company shall not be bound by or be compelled in any way to recognise (even when having notice thereof) any equitable, contingent, future or partial interest in any share or any interest in any fractional part of a share or (except only as by these Articles or by law otherwise provided) any other rights in respect of any share except an absolute right to the entirety thereof in the Holder. This shall not preclude the Company from requiring the Holders or a transferee of shares to furnish the Company with information as to the beneficial ownership of any share when such information is reasonably required by the Company.

7. Disclosure of interests

- (a) Notwithstanding the provisions of the immediately preceding Article, the Directors, at any time and from time to time if, in their absolute discretion, they consider it to be in the interests of the Company to do so, may give a notice to the Holder or Holders of any share (or any of them) requiring such Holder or Holders to notify the Company in writing within such period as may be specified in such notice (which shall not be less than twenty-eight days from the date of service of such notice) of full and accurate particulars of all or any of the following matters, namely:-

 - (iii) any arrangement (whether legally binding or not) entered into by him or any person having any beneficial interest in the share whereby it has been agreed or undertaken or the Holder of such share can be required to transfer the share or any interest therein to any person (other than a joint Holder of the share) or to act in relation to any meeting of the Company or of any Class of shares of the Company in a particular way or in accordance with the wishes or directions of any other person (other than a person who is a joint Holder of such share).
- (b) If, pursuant to any notice given under paragraph 7(a), the person stated to own any beneficial interest in a share or the person in favour of whom any Holder (or other person having any beneficial interest in the share) has entered into any arrangements referred to in sub-paragraph 7(a)(iii), is a body corporate, trust, society or any other legal entity or association of individuals and/or entities, the Directors, at any time and from time to time if, in their absolute discretion, they consider it to be in the best interests of the Company to do so, may give a notice to the Holder or Holders of such share (or any of them) requiring such Holder or Holders to notify the Company in writing within such period as may be specified in such notice (which shall not be less than twenty-eight days from the date of service of such notice) of full and accurate particulars of the name and addresses of the individuals who control (whether directly or indirectly and through any number of vehicles, entities or arrangements) the beneficial ownership of all the shares, interests, units or other measure of ownership of such body corporate, trust, society or other entity or association wherever the same shall be incorporated, registered or domiciled or wherever such individuals shall reside provided that if at any stage of such chain of ownership the beneficial interest in any share shall be established to the satisfaction of the Directors to be in the ownership of any body corporate any of whose share capital is listed or dealt in on any bona fide stock exchange, unlisted securities market or over-the-counter securities market, it shall not be necessary to disclose details of the individuals ultimately controlling the beneficial interests in the shares of such body corporate.
- (c) The Directors, if they think fit, may give notices under paragraphs 7(a) and 7(b) at the same time on the basis that the notice given pursuant to paragraph 7(b) shall be contingent upon disclosure of certain facts pursuant to a notice given pursuant to paragraph 7(a).
- (d) The Directors may require (before or after the receipt of any written particulars under this Article) any such particulars to be verified by statutory declaration.

- (e) The Directors may serve any notice pursuant to the terms of this Article irrespective of whether or not the Holder on whom it shall be served may be dead, bankrupt, insolvent or otherwise incapacitated and no such incapacity or any unavailability of information or inconvenience or hardship in obtaining the same shall be a satisfactory reason for failure to comply with any such notice provided that if the Directors in their absolute discretion think fit, they may waive compliance in whole or in part with any notice given under this Article in respect of a share in any case of bona fide unavailability of information or genuine hardship or where they otherwise think fit but no such waiver shall prejudice or affect in any way any non-compliance not so waived whether by the Holder concerned or any other joint Holder of the share or by any person to whom a notice may be given at any time.
- (f) For the purpose of establishing whether or not the terms of any notice served under this Article shall have been complied with the decision of the Directors in this regard shall be final and conclusive and shall bind all persons interested.

8. Payment of commission

If he elects to become the Holder he shall give notice to the Company to that effect and supply the Company or its agent with whatever documentation and/or information as the Company or its agent reasonably requests. If he elects to have another person registered he shall execute an instrument of transfer of the share to that person. - (c) cancel any shares which, at the date of the passing of the resolution, have not been taken or agreed to be taken by any person and reduce the amount of its authorised share capital by the amount of the shares so cancelled; or
- (d) redenominate the currency of any Class of shares.

PART VIII - GENERAL MEETINGS

30. Annual general meetings

The notice shall also state the time by which the proxy must be received at the Company's registered office or some other place within the State as is specified in the statement for that purpose. Subject to any restrictions imposed on any shares, the notice shall be given to all the Holders and to the Directors and the Auditors.
- (c) The accidental omission to give notice of a meeting to, or the non-receipt of notice of a meeting by, any person entitled to receive notice shall not invalidate the proceedings at the meeting.
- (d) Where, by any provision contained in the Companies Act, extended notice is required of a resolution, the resolution shall not be effective (except where the Directors of the Company have resolved to submit it) unless notice of the intention to move it has been given to the Company not less than twenty-eight days (or such shorter period as the Companies Act permit) before the meeting at which it is moved, and the Company shall give to the Holders notice of any such resolution as required by and in accordance with the provisions of the Companies Act.

- (b) If such a quorum is not present within half an hour from the time appointed for the meeting, or if during a meeting a quorum ceases to be present, the meeting shall stand adjourned to the same day in the next week at the same time and place, or to such other time and place as the Directors may determine. If at the adjourned meeting such a quorum is not present within half an hour from the time appointed for the meeting, the meeting, if convened otherwise than by resolution of the Directors, shall be dissolved,

The chairman, with the consent of a meeting at which a quorum is present, may (and if so directed by the meeting, shall) adjourn the meeting from time to time (or sine die) and from place to place, but no business shall be transacted at any adjourned meeting other than business which might properly have been transacted at the meeting had the adjournment not taken place. Where a meeting is adjourned sine die, the time and place for the adjourned meeting shall be fixed by the Directors. When a meeting is adjourned for thirty days or more or sine die, at least seven Clear Days' notice shall be given specifying the time and meeting and the general nature of the business to be transacted. Save as aforesaid it shall not be necessary to give any notice of an adjourned meeting.

39. Determination of resolutions

The demand for a poll may be withdrawn before the poll is taken but only with the consent

of the chairman, and a demand so withdrawn shall not be taken to have invalidated the result of a show of hands declared before the demand was made.

The result of the poll shall be deemed to be the resolution of the meeting at which the poll was demanded.
- (b) A poll demanded on the election of a chairman or on a question of adjournment shall be taken forthwith. A poll demanded on any other question shall be taken either forthwith or at such time (not being more than thirty days after the poll is demanded) and place as the chairman of the meeting may direct. The demand for a poll shall not prevent the continuance of a meeting for the transaction of any business other than the question on which the poll was demanded. If a poll is demanded before the declaration of the result of a show of hands and the demand is duly withdrawn, the meeting shall continue as if the demand had not been made.
- (c) No notice need be given of a poll not taken forthwith if the time and place at which it is to be taken are announced at the meeting at which it is demanded. In any other case at least seven Clear Days' notice shall be given specifying the time and place at which the poll is to be taken.

42. Votes of Holders

Votes may be given either personally or by proxy. Subject to any rights or restrictions for the time being attached to any Class or Classes of shares:-

In the case of a corporation a resolution in writing may be signed on its behalf by a director or the secretary thereof or by its duly appointed attorney or duly authorised representative.

44. Chairman's casting vote

his own acts and defaults and he shall not be deemed to be the agent of the Director appointing him. The liquidator may, with the like authority, vest any part of the assets in trustees upon such trusts for the benefit of Shareholders as the liquidator, with the like authority, shall think fit, and the liquidation of the Company may be closed and the Company dissolved, but so that no Shareholder shall be compelled to accept any assets in respect of which there is a liability. A Shareholder may request the liquidator, instead of

transferring the assets in specie to it, to dispose of them and to pay the net sales proceeds instead

The liquidator may, with the like authority, vest any part of the Assets in trustees upon such trusts for the benefit of Holders as the liquidator, with the like authority, shall think fit, and the liquidation of the Company may be closed and the Company dissolved, but so that no Holder shall be compelled to accept any Assets in respect of which there is a liability. A Holder may require the liquidator instead of transferring any asset in specie to him/her, to arrange for a sale of the assets with the costs of the sale charged to the redeeming Holder and for payment to the Holder of the net proceeds of same.

ISSUE OF SHARES

2. Terms and conditions of issue of shares

(a)

- (i) Prior to the issue of any Class of shares the Directors shall determine the rights and restrictions attaching thereto including the Sub-Fund to which they relate, the denominated currency of the shares and the fees and expenses (which shall be disclosed in the Prospectus) to be borne by the Class of shares. The Directors may (subject to the prior notification to the Central Bank) in relation to a Sub-Fund create more than one Class of shares to participate in the Sub-Fund to which different charges, fees and expenses and such other factors as may be determined by the Directors at the date of their creation, may be applicable. Where the Directors so determine, notwithstanding anything contained in these Articles, the Net Asset Value per share within a Sub-Fund may be adjusted to reflect the different features of such Classes as may be determined by the Directors. The shares may be divided into one or more Classes which may be denominated by the Directors in the same or different currencies. The Directors shall at the time of creation of a Class of shares determine if such Class of shares shall be constituted as a Derivative Specific Share Class and where such Class is denominated in a currency other than the base currency of the relevant Sub-Fund whether any such Class shall be constituted as a Derivative Specific Share Class or an Unhedged Currency Share Class. Notwithstanding anything contained in these Articles, the costs and gains/losses of any derivative transactions relating to a Derivative Specific Share Class shall accrue solely to the Holders of shares in such Class and shall not form part of the assets of the Sub-Fund or constitute a liability of the Sub-Fund to which the shares relate. Any derivative transaction, as applicable, relating to a Derivative Specific Share Class shall be valued in accordance with the provisions of Appendix III.
- (ii) The Sub-Funds in relation to which shares shall be issued and designated are set out in the Prospectus. The name of each Sub-Fund may be amended by the Directors and any such change of name shall not require the approval of the Holders in the relevant Sub-Fund.

Shares in relation to other Sub-Funds may be issued and designated from time to time with the prior approval of the Central Bank. Where new shares are issued following the launch of a Sub-Fund, the names or designation of any existing Class of shares may be amended by the Directors and any such amendment shall not require the approval of Holders in the relevant Sub-Fund.

- (b) All allotments and all issues of shares pursuant to subscriptions received on or prior to the relevant Dealing Deadline and/or prior to the initial issue of shares of any Class or Fund on any Dealing Day, shall be effected or made with effect from the relevant Dealing Day, as the case may be, and all issues of shares thereafter shall be effected or made with effect from any Dealing Day provided that the Company may provisionally allot and/or issue shares on a Dealing Day on the basis that the shares shall be issued on receipt by the Company or its authorised agent of cleared funds from the subscriber for the relevant shares or, if issued, shall be cancelled in the event that the Company or its authorised agent does not receive cleared funds from the

subscriber for the relevant Shares. All redemptions of shares shall be effected or made with effect from a Dealing Day.

- (c) Subject as hereinafter provided and subject to any regulations made or conditions imposed by the Central Bank pursuant to the Regulations, the initial issue of shares by the Company shall be subject to the receipt by the Company or its authorised agents of:-
- (i) an application in such form (which may include any electronic form or means of communication) as the Directors may from time to time determine;
 - (ii) payment of the Issue Price (or equivalent) into the assets of the relevant Fund within a reasonable time;
 - (iii) such information and declarations as the Directors may from time to time require; and
 - (iv) subject to the requirements of the Central Bank subsequent subscription may be made by telephone or electronic means of communication in accordance with the procedure to be set out in the Prospectus.

the Company may allot and issue such shares on the relevant Dealing Day, as the case may be, at the Initial Price for each such share provided that if any such application is received after such time on that Dealing Deadline or Dealing Day as appropriate, as the Directors may determine, the Company will refuse the application or defer the allotment or issue of such Shares until the next succeeding Dealing Day and provided further that if the information and declarations required pursuant to sub-paragraph (ii) of this Article 2 (c) and cleared funds representing the subscription monies in respect of the shares and the original application form are not received by the Company within such period as the Directors may determine the Directors shall cancel any provisional allotment and/or issue of shares in respect thereof and if so cancelled the relevant application monies shall be returnable to the applicant at his risk (after deducting such amount, if any, as the Directors may in their absolute discretion think fit, any such amount so deducted being retained by the Company for its own benefit) and until return it may be made use of by the Company for its own benefit.

- (d) Payment for shares shall be made by the Settlement Date in such currency and at such time, place and manner and to such person, on behalf of the Company, as the Directors may from time to time determine.
- (e) The Company may (at the option of the Directors) satisfy any application for the allotment of shares by procuring the transfer to the applicant of fully-paid shares, the effective date of such transfer to be the relevant Dealing Day. In any such case, references in these Articles to allotting shares shall, where appropriate, be taken as references to procuring the transfer of shares.
- (f) The allotment of shares may take place notwithstanding that the information or declarations referred to in sub-paragraph (b)(ii) above have not been received by the Company or its authorised agent provided that the application referred to in sub-paragraph (b)(i) above has been received and provided further that if the said information or declarations have not been received within one Month (or such other period as the Directors may determine) after the Dealing Day on which such shares are allotted, the Directors shall be entitled (but not obliged) to cancel the allotment and if so cancelled the relevant application monies (if any) shall be returnable to the applicant at his risk (together with such additional amount, if any, or after deducting such

amount, if any, as the Directors may in their absolute discretion think fit, any such amount so deducted being retained by the Company for its own benefit) and until returned may be made use of by the Company for its own benefit.

- (g) If payment (or such application form, information or declaration referred to in 2(b) above) is not received in full for any shares by the relevant Settlement Date or such other date or time as the Directors may determine, or in the event of non-clearance of funds or such application form, information or declaration is not received, the Directors shall be entitled to cancel any allotment made and either return the relevant monies to the applicant at his risk or to treat the relevant monies as payment in respect of an application for shares made by the Dealing Deadline for the Dealing Day next following receipt of such monies or of cleared funds. In such cases the Company may charge the applicant for any resulting bank charges, market losses or other costs incurred by the Company. Where subscriptions are settled late, the Company reserves the right to charge an applicant interest at a reasonable commercial rate on such subscriptions.
- (h) Subject to 2(f) above, applications within the meaning of sub-paragraph 2(b)(i) above that are received by or on behalf of the Company on or prior to the Dealing Deadline for a Dealing Day shall, unless the Directors determine otherwise and provided they are received by the relevant Valuation Point, be dealt with on that Dealing Day. Such applications as are received after the Dealing Deadline for a Dealing Day may be carried forward to the next following Dealing Deadline. If requested, the Directors may, in their absolute discretion and subject to the prior approval of the Custodian, agree to designate additional Dealing Days and Valuation Points for the purchase of shares relating to any Sub-Fund which will be open to all Holders and which will be notified in advance to all Holders.
- (i) Applications for the issue of shares will be irrevocable unless the Directors, or a delegate, otherwise agree.
- (j) The Directors may, in their absolute discretion, determine that in certain circumstances, it is detrimental for existing Holders to accept an application for shares in cash or in specie, representing more than 5% of the Net Asset Value of Sub-Fund. In such case, the Directors may postpone the application and, in consultation with the relevant investor, either require such investor to stagger the proposed application over an agreed period of time, or establish an account outside the structure of the Company in which to invest the investor's subscription monies. Such account will be used to acquire the shares over a pre-agreed time schedule. The investor shall be liable for any transaction costs or reasonable expenses incurred in connection with the acquisition of such shares. Any applicable preliminary charge will be deducted from the subscription monies before the investment of the subscription monies commences.
- (k) The Company may refuse to accept, restrict or cancel any initial or subsequent application for shares which, in the sole judgement of the Directors represent excessive trading and/or market timing or other activity which they believe is harmful to the Company or the Sub-Fund without giving any reason therefore.

3. Issue Price

- (a) During the Initial Offer Period in relation to a Sub-Fund the Issue Price per share of the relevant Class shall be the price as determined by the Directors. After the Initial Offer Period, the Issue Price shall be the Net Asset Value per share of the relevant Class plus such sum as the Directors and/or, if applicable, the administrator of the Company may consider represents the

appropriate allowance for Duties and Charges plus a preliminary charge, if any, at the discretion of the Directors with the resulting sum being rounded mathematically to a maximum of four decimal places (or such other number as the Directors may determine). Notwithstanding the foregoing, the Directors may issue any new series of shares in a Class in a Sub-Fund at a fixed price subject to complying with the requirements of the Central Bank.

- (b) Where shares are issued at the Net Asset Value per share, the Issue Price per share of the relevant Class shall be ascertained by:
 - (i) determining that proportion of the Net Asset Value of the relevant Sub-Fund which is attributable to the relevant Class of shares as at the Valuation Point for the relevant Dealing Day and adding thereto such sum (if any) as the Directors may consider represents the appropriate provision for Duties and Charges;
 - (ii) where the Class of shares is a Derivative Specific Share Class, adding to or deducting from (as the case may be) the sum calculated in accordance with (i) above the costs and gains/losses of any derivative transaction, as applicable, effected in respect of that Class which have not been included in the sum calculated in accordance with (i) above;
 - (iii) dividing the sum calculated in accordance with paragraph (i) and (ii) above (as the case may be) by the number of shares of the relevant Class in issue or deemed to be in issue in the relevant Sub-Fund at the Valuation Point for the relevant Dealing Day;
 - (iv) rounding the resulting amount so determined to four decimal places, or such other number of decimal places as the Directors may determine, of the unit of the currency in which such share is designated (**unit** for such purposes being the smallest fraction of the relevant currency which is legal tender in the country of issue of that currency);
 - (v) in calculating the Issue Price, the Directors may on any Dealing Day where there are net subscriptions adjust the Issue Price by adding an Anti-Dilution Levy to cover dealing costs and/or to preserve the value of the underlying assets of a Sub-Fund. Any such charge shall be retained for the benefit of the relevant Sub-Fund and the Directors reserve the right to waive such charge at any time.
- (c) For the purposes of this Clause 3, shares which have been allotted shall be deemed to be in issue from the close of business on the Dealing Day on which they are allotted and shares which have been redeemed shall be deemed to cease to be in issue at the close of business on the Dealing Day of such redemption.
- (d) Where an Anti-Dilution Levy has not been added in calculating the Issue Price pursuant to 3 (b) above, the Directors may in their discretion deduct any Anti-Dilution Levy from the subscription monies received in respect of shares issued on any Dealing Day. Any such amount deducted will be retained for the benefit of the relevant Sub-Fund. The Directors may on any Dealing Day where there are net subscriptions adjust the Issue Price by adding an Anti-Dilution Levy to cover dealing costs and to preserve the value of the underlying assets of a Sub-Fund.

4. Allotment of shares for non cash consideration

The Directors may, subject to the provisions of the Companies Act, in their absolute discretion allot shares against the vesting in the Custodian on behalf of the Company of any Investments and in connection therewith the following provisions shall apply:-

- (a) the nature of the Investments to be vested in the Custodian on behalf of the Company would qualify as suitable investments of such Sub-Fund in accordance with the investment objective, policies and restrictions of that Sub-Fund;
- (b) the number of shares to be allotted (which will only be allotted where arrangements have been made to vest the Investments with the Custodian or after the Investments have been vested in the Custodian on behalf of the Company) shall be not more than that number which would have fallen to be issued for cash on the basis that the amount of such cash was an amount equal to the value as at the relevant Valuation Point for the relevant Dealing Day of the Investments to be vested in the Custodian on behalf of the Company, as determined in accordance with paragraph (d) below;
- (c) the Directors may provide that the whole or any part of the Duties and Charges arising in connection with the vesting of the Investments in the Custodian on behalf of the Company shall be paid by the Company or by the person to whom the shares are to be issued or partly by the Company and partly by such person;
- (d) the value of the Investments to be vested in the Custodian on behalf of the Company shall be determined by the Directors on such basis as they shall decide so long as such value does not exceed the highest amount which would be obtained if the Investments were valued in accordance with Appendix III hereof;
- (e) in the case of the initial issue of shares of any Class, the Directors shall determine the number of shares of the relevant Class to be allotted against the vesting in the Custodian on behalf of the Company of any Investments; and
- (f) in exercising their discretion under this Clause, the Directors shall consider whether the terms of any such allotment are such as would result in any material prejudice to existing Holders provided that the Custodian is satisfied that the terms of such allotment will not be such as are likely to result in material prejudice to existing Holders.

5. Preliminary charge

The Directors may require any person to whom shares of any Class are to be allotted to pay to the Company or any of its appointees or as any of them may direct, for its or their absolute use and benefit, a preliminary charge of such amount as may be determined by the Directors but not exceeding 5% of the Issue Price per share of the relevant Class being allotted. The Directors may on any Dealing Day differentiate between applicants as to the amount of the preliminary charge required to be paid to the Company, or its appointees or as they may direct and as to the amount of preliminary charge to be levied on each Class of share (subject to the maximum aforesaid).

6. No shares allotted when calculation of Net Asset Value suspended

The Directors may in their absolute discretion determine that no shares shall be allotted or issued during any period when the determination of the Net Asset Value of the relevant Sub-Fund is suspended pursuant to Clause 18 below except those for which applications have previously been received and accepted by the Company or its authorised agent. The Directors will notify investors applying for shares of such

suspension at the time of application. Any application for shares which is not withdrawn shall, subject to the provisions of these Articles, be dealt with on the first Dealing Day after the suspension is lifted.

7. Issue of fractions of shares

Where payments or other consideration received by or on behalf of the Company in respect of the issue or allotment of shares are not an exact multiple of the Issue Price for those shares, a fraction of a share may be allotted to the investor who shall be registered as the Holder of such a fraction provided that any holding of shares is a multiple of not less than 1/1000 part of a share or such other fractional amount as the Directors may determine from time to time. Rights, entitlements and benefits of a Holder of a share under the Articles are granted to a Holder of a fraction of a share in proportion to the fraction of a share held by him and, except where the context otherwise requires or is otherwise provided herein, reference in the Articles to **share** shall include a fraction of a share. The Holder of a fraction of a share may not exercise any voting rights in respect of such share.

8. Minimum Initial Investment Amount

The Directors may in their absolute discretion decline to issue shares of any Class to satisfy any initial application unless the amount in value of the shares to which an application relates equals or exceeds the Minimum Initial Investment Amount or its equivalent in another currency. Thereafter, Holders may make additional subscriptions for shares having a value, at the then current Issue Price of not less than the Minimum Additional Investment Amount or its equivalent in another currency.

SUB-FUNDS

9. Sub-Funds

- (a) All consideration, other than the preliminary charge (if any) payable to the Company or its appointees or as any of them may determine pursuant to Clause 5 of this Appendix, received by or on behalf of the Company for the allotment or issue of shares of a Sub-Fund, or if there is more than one Class of shares in a particular Sub-Fund, of all such Classes, together with all Investments in which such consideration is invested or reinvested, all income, earnings, profits and proceeds thereof shall be segregated and kept separate from all other monies of the Company and such assets and monies shall be referred to as a **Sub-Fund** there being one Sub-Fund in respect of each Class (or all such Classes, as the case may be) of shares and to which the following provisions shall apply:
 - (i) For each Sub-Fund the Company shall keep separate books and records in which all transactions relating to the relevant Sub-Fund shall be recorded and, in particular, the proceeds from the allotment and issue of shares of each Class in the Sub-Fund, the Investments and the liabilities and income and expenditure attributable thereto shall be applied or charged to such Sub-Fund subject to the provisions of this Clause 9;
 - (ii) Any Asset derived from any other Asset(s) (whether cash or otherwise) comprised in any Sub-Fund shall be applied in the books and records of the Company to the same Sub-Fund as the Asset from which it was derived and any increase or diminution in the value of such an Asset shall be applied to the relevant Sub-Fund.
 - (iii) No shares will be issued on the terms that entitle the Holder of any Sub-Fund to participate in the Assets of the Company other than the

Assets (if any) of the Sub-Fund relating to such shares. If the proceeds of the Assets of the relevant Sub-Fund are not sufficient to fund the full redemption amount payable to each Holder for the relevant Sub-Fund, the proceeds of the relevant Sub-Fund will, subject to the terms for the relevant Sub-Fund, be distributed equally among each Holder of the relevant Sub-Fund pro rata to the amount paid upon the shares held by each Holder. If the realised Net Assets of any Sub-Fund are insufficient to pay any amounts due on the relevant shares in full, in accordance with the terms of the relevant Sub-Fund, the relevant Holders of that Sub-Fund will have no further right of payment in respect of such shares or any claim against the Company, any other Sub-Fund or any Assets of the Company in respect of any shortfall.

- (iv) In the event that there are any Assets of the Company which the Directors do not consider are attributable to a particular Sub-Fund or Sub-Funds, the Directors shall, with the approval of the Custodian, allocate such Assets to and among any one or more of the Sub-Funds in such manner and on such basis as they, in their discretion, deem fair and equitable; and the Directors shall have the power to and may at any time and from time to time, with the approval of the Custodian, vary the basis in relation to Assets previously allocated.
 - (v) Each Sub-Fund shall be charged with the liabilities, expenses, costs, charges or reserves of the Company in respect of or attributable to that Sub-Fund and any such liabilities, expenses, costs, charges or reserves of the Company not attributable to any particular Sub-Fund or Sub-Funds shall be allocated and charged by the Directors, with the approval of the Custodian, in such manner and on such basis as the Directors, in their sole and absolute discretion deem fair and equitable, and the Directors shall have the power to and may at any time and from time to time, with the approval of the Custodian, vary such basis including, where circumstances so permit, the re-allocation of such liabilities, expenses, costs, charges and reserves.
 - (vi) In the event that any Asset attributable to a Sub-Fund is taken in execution of a liability not attributable to that Sub-Fund, the provisions of section 1407 of the Companies Act shall apply.
- (b) Subject as otherwise provided herein, the Assets held in each Sub-Fund shall be applied solely in respect of the shares of the Class (or Classes as the case may be) to which such Sub-Fund appertains.
 - (c) The Directors may from time to time establish, with the prior approval of the Central Bank, additional Sub-Funds and/or in accordance with the requirements of the Central Bank designate additional Classes and issue Shares in such Sub-Funds or Classes.
 - (d) If the Directors shall determine that a sufficient amount of subscription monies (such amount to be determined by the Directors in their discretion) have not been received during the Initial Offer Period of a Sub-Fund, the Directors may determine in their discretion not to proceed to launch that Sub-Fund and shall return the subscription monies to each investor at their risk and expense.

10. **Sub-Fund Exchanges**

- (a) Subject to the provisions of the Companies Act, the Regulations, these Articles and to any provisions set out in the Prospectus at the discretion of the Directors or their duly appointed delegate and as hereinafter provided a

Holder holding shares in any Class in a Sub-Fund (the **Original Class**) on any Dealing Day shall have the right from time to time to exchange all or any of such shares for shares of another Class which are being offered at that time (the **New Class**) (such Class being either in the same Sub-Fund or in a separate Sub-Fund) on the following terms:-

- (i) The Holder shall give to the Company or its authorised agent(s) instructions (hereinafter called an **Exchange Notice**) in such form as the Directors may from time to time determine.
 - (ii) The exchange of the shares specified in the Exchange Notice pursuant to this Clause 10 shall occur on a Dealing Day for the Original Class and the New Class in respect of Exchange Notices received on or prior to the relevant Dealing Deadline for that Dealing Day (or prior to such other time of day as the Directors may determine either generally or in relation to a particular Sub-Fund or in any specific case) by the Company or its authorised agent(s) or on such other Dealing Day as the Directors at the request of the Holder may agree. The Company or its authorised agents may in their discretion accept Exchange Notices received after the Dealing Deadline for the relevant Dealing Day provided the Exchange Notices are received prior to the relevant Valuation Point. A Holder's entitlement to shares as recorded in the Register shall be altered accordingly with effect from that Dealing Day.
- (b) Exchange of the shares of the Original Class specified in the Exchange Notice shall be effected in the following manner, that is to say:-
- (i) such shares of the Original Class shall be redeemed by the issue of shares of the New Class;
 - (ii) the shares of the New Class shall be issued in respect of and in proportion to (or as nearly as may be in proportion to) the holding of the shares of the Original Class which is being exchanged; and
 - (iii) the proportion in which shares of the New Class are to be issued in respect of shares of the Original Class shall be determined in accordance with paragraph (c) below;

Provided always that the right of a Holder to exchange his shares in the Original Class for shares in the New Class conferred by this Clause 10 shall be conditional upon the Company having sufficient available share capital to enable the exchange to be implemented as aforesaid.

- (c) The Directors shall determine the number of shares of the New Class to be issued on exchange in accordance with the following formula:-

$$S = \frac{[(RP - EC)]}{SP}$$

where:

- S** = the number of Shares of the New Class to be issued;
- RP** = the Redemption Proceeds
- EC** = the Exchange Charge

SP = the Issue Price per Share of the New Class as at the Valuation Point for the applicable Dealing Day.

AND the number of shares of the New Class to be created or issued pursuant to this Clause 10 shall be so created or issued in respect of each of the shares of the Original Class being exchanged in the proportion (or as nearly as may be in the proportion) S to R where S and R have the meanings ascribed to them above.

- (d) On any exchange of shares pursuant to this Clause 10, the Directors may charge a fee, for payment to the Company or any of its appointees or as any of them may direct not exceeding 3 per cent of the Repurchase Price for the total number of shares in the Original Class to be repurchased calculated as at the relevant Valuation Point for the Dealing Day on which the exchange is effected.
- (e) Requests for the exchange of shares as an initial investment in a New Class will only be made if the value of the shares to be switched is equal to or exceeds the Minimum Initial Investment Amount for the New Class. The Directors may refuse to give effect to any Exchange Notice if to do so would cause the relevant Holder's holding in the first Class to fall below the Minimum Shareholding specified for that Class.
- (f) Shares in a Class may not be exchanged for shares in another Class during any period when the calculation of the Net Asset Value of the relevant Sub-Fund or either of the relevant Sub-Funds, as the case may be, is suspended by reason of a declaration by the Directors pursuant to Clause 18 hereof. Applicants will be notified of such suspension at the time of application and any request for the exchange of shares not withdrawn shall, subject to the provisions of these Articles, be dealt with on the first Dealing Day after such suspension is lifted.
- (g) The Company may charge an applicant for any costs or expenses incurred in respect of any currency transaction which may be required in respect of an exchange of shares.
- (h) The Company may refuse to accept, restrict or cancel exchange requests which, in the sole judgement of the Directors represent excessive trading and/or market timing or other activity which they believe harmful to the Company or any Sub-Fund without giving any reason therefore.

11. Termination of Sub-Funds

- (a) Any Sub-Fund may be terminated and/or all of the shares of the Fund (or any Class of a Fund) may be redeemed by the Directors, in their sole and absolute discretion, by notice in writing to the Custodian in any of the following events:-
 - (i) if at any time the Net Asset Value of the relevant Sub-Fund shall be less than such amount as may be determined by the Directors in respect of that Sub-Fund; or
 - (ii) if any Sub-Fund shall cease to be authorised or otherwise officially approved; or
 - (iii) if any law shall be passed which renders it illegal or in the opinion of the Directors impracticable or inadvisable to continue the relevant Sub-Fund; or

- (iii) if there is a change in material aspects of the business or in the economic or political situation relating to a Sub-Fund which the Directors consider would have material adverse consequences on the Holders and/or the Investments of the Sub-Fund; or
- (iv) if such termination is provided for in the Prospectus; or
- (v) if there is any material change in the tax status of the Company or any Sub-Fund in Ireland or in any other jurisdiction (including any adverse tax ruling by the relevant authorities in Ireland or any jurisdiction affecting the Company or any Sub-Fund) which the Directors consider would result in material adverse consequences on the Holders and/or the Investments of the Sub-Fund; or
- (vi) if the Directors shall have resolved that it is impracticable or inadvisable for a Fund to continue to operate having regard to prevailing market conditions and/or the best interests of the Holders; or
- (vii) if the Assets held in respect of a Sub-Fund are terminated or redeemed and the Directors determine that it is not commercially practical to reinvest the realisation proceeds of such Assets in replacement Assets on terms that will enable the relevant Fund achieve its investment objective and/or to comply with its investment policy; or
- (viii) if, in the opinion of the Directors, such termination is in the best interests of Holders of Shares in the Sub-Fund.

The decision of the Directors in any of the events specified herein shall be final and binding on all the parties concerned but the Directors shall be under no liability on account of any failure to terminate the relevant Sub-Fund pursuant to this Clause 11 or otherwise.

- (b) The Directors shall give notice of termination of a Sub-Fund to the Holders of shares in the relevant Sub-Fund and by such notice fix the date at which such termination is to take effect, which date shall be for such period after the service of such notice as the Directors shall in their sole and absolute discretion determine.
- (c) With effect on and from the date as at which any Sub-Fund is to terminate or in the case of (i) below such other date as the Directors may determine:-
 - (i) No shares of the relevant Sub-Fund may be issued or sold by the Company;
 - (ii) The investment manager shall, on the instructions of the Directors, realise all the Assets then comprised in the relevant Sub-Fund (which realisation shall be carried out and completed in such manner and within such period after the termination of the relevant Sub-Fund as the Directors think advisable);
 - (iii) The Custodian shall, on the instructions of the Directors from time to time, distribute to the Holders of shares of the relevant Sub-Fund in proportion to their respective interests in the relevant Sub-Fund all net cash proceeds derived from the realisation of the relevant Sub-Fund and available for the purpose of such distribution, provided that the Custodian shall not be bound (except in the case of the final distribution) to distribute any of the monies for the time being in its hands the amount of which is insufficient to pay Euro 1 or its

equivalent amount in the relevant currency in respect of each share of the relevant Sub-Fund and provided also that the Custodian shall be entitled to retain out of any monies in its hands as part of the relevant Sub-Fund full provision for all costs, charges, expenses, claims and demands incurred, made or apprehended by the Custodian or the Directors in connection with or arising out of the termination of the relevant Sub-Fund and out of the monies so retained to be indemnified and saved harmless against any such costs, charges, expenses, claims and demands; and

- (iv) Every such distribution referred to above shall be made in such manner as the Directors shall, in their sole and absolute discretion, determine but shall be made only against production of the certificates or warrants relating to the shares of the relevant Sub-Fund if issued in respect of which the same is made and upon delivery to the Custodian of such form of request for payment as the Custodian shall in its absolute discretion require. Any unclaimed proceeds or other cash held by the Custodian hereunder may at the expiration of twelve months from the date upon which the same were payable be paid into court subject to the right of the Custodian to deduct therefrom any expenses it may incur in making such payment.
- (d) The Directors shall have the power to propose and implement a reconstruction and/or amalgamation and/or a merger of the Company or any Sub-Fund or Sub-Funds on such terms and conditions as are approved by the Directors subject to the following conditions namely:
 - (i) that the prior approval of the Central Bank has been obtained; and
 - (ii) that the Holders of shares in the relevant Sub-Fund or Sub-Funds have been circulated with particulars of the scheme of merger, reconstruction and/or amalgamation in a form approved by the Directors and a special resolution of the Holders of shares in the relevant Sub-Fund or Sub-Funds has been passed approving the said scheme.

The relevant scheme of merger, reconstruction and/or amalgamation shall take effect upon such conditions being satisfied or upon such later date as the scheme may provide or as the Directors may determine whereupon the terms of such scheme shall be binding upon all the Holders and the Directors shall have the power to and shall do all such acts and things as may be necessary for the implementation thereof.

RIGHT OF REDEMPTION

12. Holders' right to request a redemption of shares

As the Company is an open-ended investment company, Holders shall have the right to request the Company to redeem their shares in accordance with the provisions of Clause 13 below.

13. Redemption mechanism

- (a) Subject to the provisions of the Companies Act, the Regulations and these Articles and subject as hereinafter provided the Company may, on receipt by it or its authorised agent(s) of a request (which request may, at the Directors' discretion, either generally or in relation to any specific request, be made in writing, by facsimile, by electronic means or by telephone (in accordance with

the procedure set out in the Prospectus) or in such other form as the Directors may, from time to time, determine) by a Holder of shares (**the Applicant**), redeem all or any portion of the shares held by the Applicant at the Redemption Price, determined in accordance with Clause 14 hereof, or procure the redemption thereof at not less than the Redemption Price on the relevant Dealing Day. Such request to redeem must be accompanied by the duly endorsed certificate or certificates (if any) issued for the shares to which it relates.

PROVIDED THAT:-

- (i) The redemption of shares pursuant to this Clause 13 shall be made on a Dealing Day in respect of requests (equal or greater to the Minimum Redemption Amount, if any, subject to the discretion of the Directors to allow lesser amounts) received by the Company or its authorised agent on or prior to the Dealing Deadline for that Dealing Day.
- (ii) Any such request received after the Dealing Deadline for a Dealing Day may at the discretion of the Directors either be processed on the Dealing Day or processed on the next Dealing Day based on the Net Asset Value per Share calculated on the next Dealing Day provided they are received by the Valuation Point.
- (iii) If the determination of the Net Asset Value of the relevant Sub-Fund is suspended on any Dealing Day by reason of a declaration by the Directors pursuant to Clause 18 hereof, an Applicant may withdraw his request to have his shares redeemed pursuant to this Clause 13. If the request is not so withdrawn the Company shall be at liberty to redeem the shares on the Dealing Day next following the end of the suspension.
- (iv) Subject as aforesaid and to the discretion of the Directors, an Applicant shall not be entitled to withdraw a request duly made in accordance with this Clause 13.
- (v) The Company may retain a sufficient portion of the amount payable to the Applicant in respect of the redemption to pay any taxation payable to the Revenue Commissioners in Ireland in respect of the redemption of the shares.
- (vi) Any amount payable to the Applicant in connection with the redemption of shares shall, at the risk and cost of the Applicant, be paid in the same currency as that in which the shares are denominated or in such other currency as the Directors shall determine. Any such amount may, at the option of the Directors, (but at the risk and cost of the Applicant) be remitted by or on behalf of the Company by electronic transfer to the bank account specified by the Applicant not later than the relevant Settlement Date. In all other instances any such amount shall be sent by post in the form of a negotiable instrument at the Applicant's risk by or on behalf of the Company to the Applicant not later than the relevant Settlement Date. If the amount to be paid by the Company as aforesaid shall not be expressed in the currency in which the shares which the Company has redeemed were denominated then the rate of exchange between that currency and the currency agreed for payment shall be such rate as the Directors shall consider appropriate. The cost of conversion (if any) shall be debited from the converted payment. The certificate of the Directors as to the conversion rate applicable and as to the cost of conversion shall be

conclusive and binding on all persons. Notwithstanding this, redemption proceeds shall not be paid to relevant shareholder(s) until the original application form has been received by the shareholder(s) and all of the necessary anti-money laundering checks have been carried out to the Administrator's satisfaction.

- (vii) Subject to written instructions from the Applicant to the Company (or its authorised agent) directing otherwise, which the Company (or its authorised agent) may require to be verified or otherwise supported by additional documentation, the Company (or its authorised agent) shall pay the redemption proceeds to the Applicant or joint registered Applicants as appropriate.
- (b) The redemption of shares under the provisions of this Clause 13 shall be deemed to be effected immediately after the Valuation Point for the relevant Dealing Day. Shares redeemed in accordance with the provisions of this Clause 13 shall be deemed to cease to be in issue at the close of business on the Dealing Day on which they are redeemed.
- (c) Upon the redemption of a share being effected, the Applicant shall cease to be entitled to any rights in respect thereof (excepting always the right to receive a dividend which has been declared in respect thereof prior to such redemption being effected) and accordingly his name shall be removed from the Register with respect thereto and the shares shall be treated as cancelled and the amount of issued share capital in respect of such Class of shares shall be reduced accordingly.
- (d) The Company may charge a Holder requesting the cancellation of a redemption request any fees or expenses incurred in processing and/or cancelling the redemption request. If requested, the Directors may, in their absolute discretion and subject to the prior approval of the Custodian, agree to designate additional and/or substitute Dealing Days and Valuation Points for the Redemption of Shares relating to any Sub-Fund which will be open to all Shareholders and which will be notified in advance to all Shareholders.
- (e) The Directors or their delegates have the discretion not to accept an application for the redemption of shares until the application is complete and all necessary information has been provided by the Applicant.

14. Redemption price of shares

- (a) The Redemption Price per share of the relevant Class shall be an amount as determined by the Directors on the relevant Dealing Day referred to in Clause 13(a)(i) above by:
 - (i) determining that proportion of the Net Asset Value of the relevant Sub-Fund which is attributable to the relevant Class of shares as at the Valuation Point for the relevant Dealing Day and deducting therefrom such sum (if any) as the Directors and/or if applicable, the administrator of the Company, may consider represents the appropriate provision for Duties and Charges;
 - (ii) where the Class of share is a Derivative Specific Share Class, adding to or deducting from (as the case may be) the sum calculated in accordance with (i) above the costs and gains/losses of any derivative transactions, effected in respect of that Class which have not been included in the sum calculated in accordance with (i) above;
 - (iii) dividing the sum calculated in accordance with paragraph (i) above by the number of shares of the relevant Class in issue or deemed to

be in issue in the relevant Sub-Fund at the Valuation Point for the relevant Dealing Day;

- (iv) rounding the amount so determined to four decimal places, or such other number of decimal places as the Directors may determine of the unit of the currency of the shares (**unit** for such purposes being the smallest fraction of the relevant currency which is legal tender in the country of issue of that currency); and
 - (v) In calculating the Redemption Price, the Directors may on any Dealing Day where there are net redemptions adjust the Redemption Price by deducting an Anti Dilution Levy to cover dealing costs and to preserve the value of the underlying assets of a Sub-Fund.
- (b) Payment of the Repurchase Price may at the discretion of the Directors be satisfied by way of transferring any asset in specie to an Applicant, in cash or by way of the transfer of assets and/or in cash.
- (c) Where an Anti-Dilution Levy has not been deducted in calculating the Redemption Price pursuant to Clause 14 (a) above, the Directors, in their sole and absolute discretion may deduct any applicable Anti Dilution Levy to cover dealing costs and to preserve the value of the underlying assets of a Sub-Fund from the redemption proceeds payable in respect of shares redeemed on any Dealing Day. Any such amount deducted will be retained for the benefit of the relevant Sub-Fund and may be waived at the discretion of the Directors.
- (d) The Directors may on any Dealing Day require an Applicant to pay to the Company or any of its appointees or as any of them may direct, for its or their absolute use and benefit, a redemption charge of not more than 3 per cent of the Redemption Price per share of the relevant Class being redeemed on that Dealing Day. The amount of any such charge may be deducted from the amount to be paid by the Company to the Applicant in respect of the shares to be redeemed. The Directors may on any Dealing Day differentiate between Applicants as to the amount of the redemption charge required to be paid to the Company, or its appointees or as they may direct and as to the amount of redemption charge to be levied on each Class of share (subject to the maximum aforesaid).
- (e) Such portion of the Redemption Price of any shares redeemed on a Dealing Day (except a Dealing Day which is a record day for the declaration of a dividend) as the Directors in their absolute discretion consider appropriate shall be deemed to be a distribution to the relevant Applicant of the proportion of the undistributed net revenue accrued to the relevant Sub-Fund up to such Dealing Day attributable to the shares in respect of which such Redemption Price is payable.
- (f) Where any tax is payable to the Irish tax authorities in respect of a redemption of shares by a Holder who is or is deemed to be a Taxable Irish Person or is acting on behalf of such a person, the Redemption Price shall be reduced by an amount equal to such tax which shall be paid by or on behalf of the Company to the authorities.
- (g) In calculating the Repurchase Price, the Directors may on any Dealing Day where there are net redemptions adjust the Repurchase Price by deducting an Anti-Dilution Levy to cover dealing costs and to preserve the value of the underlying assets of a Sub-Fund.

15. **Limitations on redemption**

- (a) In circumstances where redemption requests on any Dealing Day are for more than ten per cent of the Net Asset Value of shares of any Sub-Fund in issue at the Valuation Point for that Dealing Day, the Company shall be at liberty to scale down the number of shares to be redeemed in response to each request pro rata or in such other manner as the Directors consider appropriate taking into account the best interests of the redeeming and existing Shareholders to such extent as may be necessary to ensure that the foregoing limit is not exceeded and may carry forward for redemption to the next following Dealing Day the balance of each request and so on to each succeeding Dealing Day until each request has been dealt with in full.
- (b)
 - (i) If in respect of any Applicant the redemption monies in respect of shares held by him of any Sub-Fund to be redeemed on any Dealing Day amount to more than five per cent of the Net Asset Value of such Sub-Fund at the Valuation Point for such Dealing Day, the Company shall have the power to divide in specie the whole or any part of the Assets of the relevant Sub-Fund and shall have the right to elect by notice in writing to the Applicant (such notice to be sent by the Company to the Applicant within three Business Days of the relevant Dealing Day and in any event before the relevant Settlement Date) to appropriate and transfer Assets to him in full or part satisfaction of the Redemption Price or any part of the said Redemption Price (provided that such a distribution would not be prejudicial to the interests of the remaining Holders in such Sub-Fund). Any shortfall between the value of the assets transferred on a redemption in specie and the redemption proceeds which would have been payable in a cash redemption may be satisfied in cash. Alternatively, where it is not possible to transfer all or part of the Assets to the Applicant, the Company shall have the right to elect to sell all or any part of the Assets so appropriated and to arrange for the payment to the Applicant of the net proceeds of such sale in satisfaction or part satisfaction of the Repurchase price or any part of the repurchase Price. In addition, with the consent of, or at the request of, the Applicant, the Company may at its discretion, in circumstances not covered by the foregoing, appropriate and transfer Assets to him in full or in part satisfaction of the Redemption Price or any part of the Redemption Price (provided that such a distribution would not be prejudicial to the interest of the remaining Holders in such Sub-Fund). In each case the allocation of Assets to the Applicant will be subject to the approval of the Custodian.
 - (ii) Where a notice of election is served under sub-paragraph (b)(i) of this Clause 15 on an Applicant, the Applicant may by a further notice served on the Company (such notice to be received by the Company within three Business Days of the deemed receipt by the Applicant of the notice of election served under sub-paragraph (b)(i) of this Clause 15) require the Company instead of transferring the Assets in question to arrange:-
 - 1. for a sale of the Assets; and
 - 2. for payment to the Applicant of the net proceeds of sale.
 - (iii) Where there is a transfer of Assets pursuant to paragraph (b)(i) above, the Custodian shall transfer to the Applicant his proportionate share of the Assets of the relevant Sub-Fund. For the purposes of this paragraph **proportionate share** means such part of each type of

Asset in the relevant Sub-Fund as is proportionate to or as nearly as practicable proportionate to the Applicant's share or such selection from the Assets of the relevant Sub-Fund as the Directors shall, following consultation with the Custodian, decide is reasonable having regard to the need to be fair both to the Applicant and continuing Holders of shares in the relevant Sub-Fund.

- (iv) Where there is to be a sale of Assets under sub-paragraph (b)(ii) above:-
 - 1. the Company shall forthwith notify the Custodian of that fact and shall arrange for the sale of the Assets that would have been transferred under sub-paragraph (b)(i) above (other than Assets which are in cash in the relevant currency for the purposes of the redemption); and
 - 2. the Custodian shall on receipt of such evidence of title as it may require pay to the Applicant the net proceeds of the sale and any relevant amounts in cash.
- (c) If any request to the Company to redeem shares of any Class shall (i) relate to shares having a value less than the Minimum Redemption Amount or (ii) reduce the number of shares of the relevant Class held by the Applicant below the Minimum Shareholding, such request may be refused or treated by the Directors as a request to redeem the Applicant's entire holding. The foregoing shall not prevent a redemption of the whole of a holding of shares of any Class less than the Minimum Shareholding nor shall this paragraph apply in circumstances where as a result of the Company exercising its rights to scale down any redemption requests, in accordance with paragraph (a) above, a Holder's holding of shares is reduced below the Minimum Shareholding.
- (d) If any redemption requests received by the Directors would necessitate, in the opinion of the Directors, the breaking of deposits at a penalty or the realisation of Investments at a discount below their value, as calculated in accordance with Appendix III, the Redemption Price in respect of the relevant shares may be reduced by a proportionate part of such reduction in value or penalty which will be suffered by the relevant Sub-Fund in such manner as the Directors may consider fair and equitable and which is approved by the Custodian. Alternatively, the Directors may arrange for the Company to borrow funds in accordance with Article 64 subject always to any borrowing restrictions in force in relation to the Company or the relevant Sub-Fund, and the costs of such borrowings may be apportioned as aforesaid to such extent as the Directors may consider fair and equitable.
- (e) For so long as the Company is required to have a minimum paid up share capital pursuant to Irish law, it will not be permitted to redeem shares if, after payment of any amount in connection with such redemption, the Net Asset Value of the issued share capital of the Company would be equal to or less than the minimum share capital requirement or the foreign currency equivalent thereof. The foregoing shall not apply to a redemption request permitted by the Directors in contemplation of the dissolution of the Company in accordance with the Companies Act or where the Company's authorisation as an Undertaking for Collective Investment in Transferable Securities has been revoked by the Central Bank.
- (f) The Company may compulsorily redeem all of the shares of any Sub-Fund if the Net Asset Value of the relevant Sub-Fund is less than the Minimum Sub-Fund Size.

- (g) The Directors reserve the right to withhold payment of the repurchase proceeds at their sole discretion for such period of time as they may think fit in circumstances where they determine it is appropriate or necessary to do so to comply with any anti-money laundering procedures and legislation or any regulation, code of practice or guidance note promulgated under relevant legislation applicable to the Company or its service providers, directly or indirectly, in any jurisdiction.
- (h) The Company may refuse to accept, restrict or cancel redemption requests which in the sole judgement of the Directors represent excessive trading and/or market timing or any other activity which they believe is harmful to the Company or any Sub-Fund without giving any reason therefore.

16. No shares redeemed when calculation of Net Asset Value suspended.

The Directors may, in their absolute discretion, determine that no shares will be redeemed and no redemption proceeds paid during any period when the determination of the Net Asset Value of the relevant Sub-Fund is suspended pursuant to Clause 18 below. Holders applying for a redemption of their shares will be notified of such suspension at the time of application. Any application which is not withdrawn shall, subject to the provisions of these Articles, be dealt with on the first Dealing Day for the relevant Sub-Fund after such suspension is lifted.

DETERMINATION OF NET ASSET VALUE

17. Determination of Net Asset Value

The Net Asset Value of a Sub-Fund shall be determined in accordance with Appendix III.

18. Suspension of determination of Net Asset Value/Postponement of a Dealing Day

- (a) The Directors may at any time declare a temporary suspension of the determination of the Net Asset Value of a Sub-Fund and/or the issue, redemption and exchange of shares and the payment of redemption proceeds during:-
 - (i) the whole or part of any period when any of the Regulated Markets on which Investments of the relevant Sub-Fund, from time to time, are quoted, listed or dealt in is closed, otherwise than for ordinary holidays, or during which dealings therein are or trading is restricted or suspended; or
 - (ii) the whole or part of any period when, as a result of political, economic, military or monetary events or any circumstances outside the control, responsibility and power of the Directors, disposal or valuation of a substantial portion of the Investments of the relevant Sub-Fund is not reasonably practicable without this being seriously detrimental to the interests of shareholders of the relevant Sub-Fund or if, in the opinion of the Directors, the Net Asset Value of the Sub-Fund, cannot be fairly calculated or if it is not possible to transfer monies involved in the acquisition or disposition of Investments to or from the relevant account of the Company; or
 - (iii) any breakdown in the means of communication normally employed in determining the value of any of the Investments of the relevant Sub-Fund, or when, for any other reason the current value on any

Regulated Market of any of the Investments of the relevant Sub-Fund cannot be reasonably, promptly and accurately ascertained; or

- (iv) any period during which any transfer of funds involved in the realisation or acquisition of Investments of the relevant Sub-Fund or when payments due on the redemption of shares cannot, in the opinion of the Directors, be effected at normal prices or rates of exchange; or
 - (v) the whole or any part of any subscriptions cannot be transmitted to or from the account of the Company or the Sub-Fund or the Directors are unable to repatriate funds required for the purpose of making payments due on the redemption of shares in the relevant Sub-Fund; or
 - (vi) following the circulation to Holders of a notice of a general meeting at which a resolution proposing to wind up the Company or terminate the relevant Sub-Fund is to be considered; or
 - (vii) when any other reason makes it impracticable to determine the value of a meaningful portion of the Investments of the Company or any Sub-Fund; or
 - (viii) any period when the Directors consider it to be in the best interests of the relevant Sub-Fund; or
 - (ix) any period during which the Directors, in their discretion, consider suspension to be required for the purposes of effecting a merger, amalgamation or restructuring of a Fund or of the Company; or
 - (x) it becomes where it is or becomes impossible or impractical to enter into, continue with or maintain FDIs relating to the Index for the relevant Fund or to invest in stocks comprised within the particular Index; or
 - (xi) where such suspension is required by the Central Bank in accordance with the Regulations.
- (b) Any such suspension shall take effect at such time as the Directors shall declare but not later than the close of business on the Business Day next following the declaration and thereafter there shall be no determination of the Net Asset Value of the relevant Sub-Fund and no issues, redemptions or exchange of shares of the relevant Sub-Fund and no redemption proceeds paid until the Directors shall declare the suspension at an end.
- (c) The Directors may postpone any Dealing Day for a Sub-Fund to the next Business Day if in the opinion of the Directors, a substantial portion of the Investments of the relevant Sub-Fund cannot be valued on an equitable basis and such difficulty is expected to be overcome within one Business Day.
- (d) The determination of the Net Asset Value of a Sub-Fund shall also be suspended where such suspension is required by the Central Bank in accordance with the Regulations.

19. Notification of suspension to Central Bank, Stock Exchanges and Holders

Any such suspension of the determination of the Net Asset Value of a Sub-Fund and the issue, exchange or redemption of shares (including payment of redemption proceeds) in any Sub-Fund shall be notified to the Central Bank immediately and in any event within the same Business Day on which such suspension occurred. If the

shares are listed on the official list of the Irish Stock Exchange or any other exchange any such suspension shall be notified to the Irish Stock Exchange and such other exchange within the time frame specified above and will be communicated without delay to the competent authorities in any country in which the shares are registered for sale.

20. Compulsory Redemption Or Transfer Of Shares

- (a) The Directors shall have power (but shall not be under any duty) to impose such restrictions as they may think necessary for the purpose of ensuring that no shares of any Class are acquired or held by or transferred to (and accordingly may redeem such shares held) directly or indirectly by a person who is in the opinion of the Directors any of the following (or in the opinion of the Directors, any of the following apply to such person or entity and accordingly may compulsorily redeem such Shareholders):
- (i) any person who appears to be in breach of any law or requirement of any country or governmental authority or by virtue of which such person is not qualified to hold such shares or, in the opinion of the Directors, such redemption would eliminate or reduce the exposure of the Company or the Holders to adverse tax consequences or other consequences under the laws of any country; or
 - (ii) any United States Person, unless the Directors are satisfied in their sole discretion that the acquisition or holding of such shares (i) is permitted under an exemption available under the securities laws of the United States; and (ii) shall not require the registration of such Shares, the Company or the relevant Sub-Fund under the securities laws of the United States or cause the Company to incur any adverse US taxation consequences or regulatory or legal consequences; or
 - (iii) any person who does not clear such money laundering checks or provide the required tax documentation or such supporting documentation as the Directors may determine; or
 - (iv) who has failed to furnish the Directors with such evidence and/or undertakings as they may require for the purpose of any restrictions imposed for compliance with any anti-money laundering provisions applicable to the Company; or
 - (v) any person or entity who has breached or falsified representations as part of the application for shares; or
 - (vi) any person or entity if the holding of shares by that person or entity is unlawful; or
 - (vii) any person or persons in circumstances which, (whether directly or indirectly affecting such person or persons and whether taken alone or in conjunction with any other person or persons connected or not, or any other circumstances appearing to the Directors to be relevant) in the opinion of the Directors might result in the Company incurring any liability to taxation or suffering other pecuniary legal or material administrative disadvantages or being in breach of any law or regulation which the Company might not otherwise have incurred, suffered or breached (including where the Company suspects market timing) or if the Shareholder has not entered into a separate fee agreement with the Investment Manager (if applicable); or
 - (viii) might result in the relevant Fund, the Company, the manager or the manager's corporate group of companies being required to comply

with registration or filing requirements in any jurisdiction with which it would not otherwise be required to comply or is otherwise prohibited by these Articles; or

- (ix) any individual under the age of 18 (or such other age as the Directors think fit) or of unsound mind if the Directors determine in their sole and absolute discretion that the holding of shares by such person or entity is not in the best interests of the Holders of the relevant Fund or Class thereof.

References in these Articles to **Permitted Investor** means any person other than any of the persons specified above.

- (b) The Directors shall, unless any Director has reason to believe otherwise, be entitled to assume without enquiry that none of the shares are held in such a way as to entitle the Directors to give a notice in respect thereof pursuant to paragraph (c) below. The Directors may, however, upon an application for shares or at any other time and from time to time require such evidence and/or undertakings to be furnished to them in connection with the matters stated in paragraph (a) above as they shall in their discretion deem sufficient or as they may require for the purpose of any restriction imposed pursuant thereto or for compliance with any anti-money laundering provisions applicable to the Company. In the event of such evidence and/or undertakings not being so provided within such reasonable period (not being less than 21 days after service of notice requiring the same) as may be specified by the Directors in the said notice, the Directors may, in their absolute discretion, treat any shares held by such a Holder or joint Holder as being held in such a way as to entitle them to serve a notice in respect thereof pursuant to paragraph (c) below.
- (c) If it shall come to the notice of the Directors or if the Directors shall have reason to believe, that any shares (the **relevant shares**) are or may be owned or held directly or beneficially by any person who is not a Permitted Investor, the Directors may give notice (in such form as the Directors deem appropriate) to the person in whose name the relevant shares are registered requiring him to transfer (and/or procure the disposal of interests in) the relevant shares to a person who is in the opinion of the Directors a Permitted Investor or to give a request in writing for the repurchase of the relevant shares in accordance with these Articles. If any person upon whom such a notice is served pursuant to this paragraph does not within 21 days after the giving of such notice (or such extended time as the Directors in their absolute discretion shall consider reasonable) transfer the relevant shares to a Permitted Investor, or establish to the satisfaction of the Directors (whose judgement shall be final and binding) that he is not subject to such restrictions, the Directors may in their absolute discretion upon the expiration of such 21 days either arrange the transfer of all the relevant shares to a Permitted Investor in accordance with paragraph (e) below or arrange for the relevant shares to be redeemed by the Company at the relevant Redemption Price. The Holder of the relevant shares shall be bound forthwith to deliver his certificate (if any) to the Directors and the Directors shall be entitled to appoint any person to sign on his behalf such documents as may be required for the purpose of the transfer or redemption, as the case may be, of the relevant shares by the Company.
- (d) A person who becomes aware that he holds or owns relevant shares shall forthwith unless he has already received a notice pursuant to paragraph (c) above transfer all his relevant shares to a Permitted Investor or with the approval of the Directors request the redemption of the shares.

- (e) A transfer of relevant shares arranged by the Directors pursuant to paragraph (c) above, shall be by way of sale at the best price reasonably obtainable and may be of all of or part only of the relevant shares with a balance available for transfer to other Permitted Investors or redemption by the Company. Any payment received by the Company for the relevant shares so transferred shall be paid to the person whose shares have been so transferred subject to paragraph (f) below.
- (f) Payment of any amount due to such person pursuant to paragraphs (c), (d) or (e) above shall be subject to any requisite exchange control consents first having been obtained and the Company not being in breach of any other law or regulation. The amount due to such person will be deposited by the Company in a bank for payment to such person upon such consents being obtained and against surrender of the certificate, if any, representing the relevant shares previously held by such person. Upon deposit of such amount as aforesaid such person shall have no further interest in such relevant shares or any of them or any claim against the Company in respect thereof except the right to receive such amount so deposited (without interest) upon such consents as aforesaid being obtained.
- (g) The Directors shall have the power at any time to compulsorily redeem shares or a holding of shares of any Class or Classes where the aggregate value of the holding is less than the Minimum Shareholding or in order to satisfy any fees, costs or expenses owed or payable by any Holder of the relevant Class or Classes.
- (h) The Directors shall not be required to give any reasons for any decision, determination or declaration taken or made in accordance with this Clause 20. The exercise of the powers conferred by this Clause 20 shall not be questioned or invalidated in any case on the grounds that there was insufficient evidence of direct or beneficial ownership of shares by any person or that the true, direct or beneficial owner of any shares was otherwise than appeared to the Directors at the relevant date provided that the powers shall be exercised in good faith.
- (i) Notwithstanding any other provisions of these Articles, where the Company is required to pay tax on the transfer by a Holder who is or is deemed to be a Taxable Irish Person of its shareholding or part thereof or on the occurrence of a chargeable event as defined in section 739(B) of the TCA, the Company shall be entitled to redeem and cancel a sufficient portion of such shares and to appropriate the proceeds thereof as is necessary to discharge the amount of taxation payable in respect of the transfer of the relevant chargeable event.
- (j) The Directors may compulsorily redeem all of the shares of any Sub-Fund if the Net Asset Value of the relevant Sub-Fund is less than the Minimum Fund Size and in any other circumstances set out in the Prospectus and/or Supplement or these Articles of Association.

The shares in any subsidiary company together with the assets of the subsidiary will be held by the Custodian.

22. Appointment of Custodian

The Directors shall subject to the prior approval of the Central Bank appoint a Custodian who shall be responsible for the safe custody of all the Assets, perform its duties prescribed by the Regulations and perform such other duties upon such terms as the Directors may, from time to time, (with the agreement of the Custodian) determine.

23. Appointment of sub-custodians

The Custodian may pursuant to the Custodian Agreement, appoint sub-custodians, nominees, agents or other delegates to perform in whole or in part any of its duties or exercise any of its discretions as a custodian. For the avoidance of doubt the Custodian may not delegate the performance of any of its fiduciary duties or discretions and its liability shall not be affected by the fact that it has entrusted to a third party some or all of the Assets in its safe-keeping.

24. Remuneration of Custodian

In consideration for its services as Custodian the Custodian shall be entitled to be paid by or on behalf of the Company out of the property of the Company:-

In the event of the Custodian having given to the Company notice of its desire to retire or in the event of the Custodian being removed and no successor Custodian having been appointed within such period as may be agreed between the Company and the Custodian, the Custodian shall be entitled to require the Company to redeem all the then issued shares of the Company or to convene an extraordinary general meeting to consider a resolution to wind up the Company. Following such redemption or the passing of any such resolution, the Company shall be wound up in accordance with the Companies Act and these Articles. The Custodian will remain in office until authorisation of the Company has been revoked by the Central Bank.

EQUALISATION PAYMENTS

26. Equalisation Payments

- (a) On any allotment or issue of any shares of any Class after the Initial Offer Period, if the Directors are operating an Equalisation Account in relation to the relevant Sub-Fund (but not otherwise), the Issue Price in respect of each such share subscribed for should include an Equalisation Payment the same to be repayable in whole or in part as is hereinafter provided.
- (b) In the event of an Equalisation Account being operated in respect of any Sub-Fund, all Equalisation Payments received in accordance with paragraph (a) above, or deemed to have been received, shall be credited to the Equalisation Account in respect of the relevant Sub-Fund. Any amounts paid by way of Equalisation Payment shall be returnable in whole or in part to the payer only in the events specified in paragraph (c) below and not otherwise.
- (c) The Holder of a share on which an Equalisation Payment was paid or deemed to be paid on its issue shall be entitled to payment from the relevant Equalisation Account of a capital sum in the amount hereinafter provided on the payment of the first dividend thereon in respect of the same accounting period after the date of issue of such share but prior to any redemption being made subsequent to the date of issue of such share.
- (d) The capital sum payable pursuant to paragraph (c) above shall be an amount equal to the Equalisation Payment paid or deemed to be paid on the issue of such share or, if the Directors so think fit, a sum calculated by dividing the aggregate of all Equalisation Payments standing to the credit of the relevant Equalisation Account at the date to which the relevant dividend relates, by the number of shares in respect of which such capital sums are payable **PROVIDED** that in so doing such shares may be divided into two or more groups issued within different periods of time as may be selected by the Directors in any one accounting period and the capital sum payable on each share in each such group shall be a sum calculated by dividing the aggregate of all Equalisation Payments standing to the credit of the relevant Equalisation Account in respect of the shares of each such group by the number of shares in such group. Provided further that in no circumstances shall the capital sum payable in respect of any one share pursuant to this paragraph exceed the amount of the dividend declared on such share.
- (e) Any capital sums repaid to a Holder in accordance with the provisions of this Clause shall release the Company from any liability to repay to the Holder the Equalisation Payment paid, and such Holder shall accept any such capital sum in full and final satisfaction of any Equalisation Payment otherwise payable.

DEALINGS IN SHARES

27. Dealings in shares

- (a) Without prejudice as to the generality of these Articles, the investment manager may purchase on any Dealing Day shares of any Class at not less than the Issue Price (in respect of a purchase from the Company) or the Redemption Price (in respect of a purchase from a Holder) for shares of the Class in question established as at the relevant Dealing Day. Any amount payable by the investment manager in respect of the purchase of shares shall be paid not later than the relevant Settlement Date;
- (b) The investment manager shall be entitled in the name and on behalf of any Holder whose shares are to be purchased by the investment manager to execute an instrument of transfer in respect of the shares. The investment manager may be registered as a Holder in respect of such shares; and

- (c) Any shares of any Sub-Fund acquired by the investment manager pursuant to the foregoing provisions and for the time being outstanding may be sold by the investment manager on the Dealing Day on which the investment manager acquired them or any subsequent Dealing Day in satisfaction of the whole or any part of any application for shares of the Class in question. Such sale shall be effected at any price not exceeding the aggregate of the Issue Price of shares of the relevant Class as at the Dealing Day for which such application is made as at the relevant day in the case of such application plus the preliminary charge (if any) to which the investment manager would be entitled under these Articles and the investment manager shall be entitled to retain for its own use and benefit all monies received by it on such sale; and
- (d) Subject to the provisions of these Articles, the investment manager shall have the right on any Dealing Day, provided that the Company is notified on or prior to the Dealing Deadline for such Dealing Day, to surrender certificate(s) to the Company for cancellation of some or all of the shares represented thereby. In respect of any such cancellation of shares, the investment manager shall be entitled to receive out of the relevant Sub-Fund an amount equal to the Redemption Price that would be payable in respect of such shares if they were redeemed as at that Dealing Day pursuant to the provisions of these Articles. Any amount payable to the investment manager on foot of such request for cancellation shall be payable not later than the relevant Settlement Date. The right of the manager to require cancellation of any share shall be suspended during any period when the right of holders of shares to require the redemption of those shares is suspended pursuant to these Articles.

APPENDIX III

28. Determination of Net Asset Value

- (a) The Net Asset Value of any Sub-Fund (i.e. the value of the assets of a Sub-Fund having deducted the liabilities of that Sub-Fund therefrom) or any Class of shares or any share shall be expressed in the currency in which the Sub-Fund or the Class or the shares are denominated or in such other currency as the Directors may determine, from time to time, and shall be determined, in accordance with the valuation rules set out hereafter.
- (b) The Net Asset Value of any Sub-Fund shall be calculated as at the Valuation Point for each Dealing Day.
- (c) The Net Asset Value of each Sub-Fund will be equal to the value of the Sub-Fund's total assets less its liabilities. The Net Asset Value per share of a Sub-Fund will be calculated by dividing the Net Asset Value of the Sub-Fund by the number of shares in the Sub-Fund then in issue or deemed to be in issue as at the Valuation Point for such Dealing Day and rounding the result mathematically to four decimal places or such other number of decimal places as may be determined by the Directors from time to time.
- (d) In the event the shares of any Sub-Fund are further divided into Classes, the Net Asset Value per share of the relevant Class shall be determined by attributing the Net Asset Value of the Sub-Fund between the relevant Classes of that Sub-Fund making such adjustments for subscriptions, redemptions, fees, dividends accumulation or distribution of income and the expenses, liabilities or assets attributable to each such relevant Class (including the gains/losses on and costs of financial instruments employed for derivative transactions undertaken for any Class which is a Derivative Specific Share Class, which gains/losses and costs shall accrue solely to that relevant Class) and any other factor differentiating the relevant Classes as appropriate. The Net Asset Value of the Sub-Fund, as allocated between each Class, shall be divided by the number of shares of the relevant Class which are in issue or deemed to be in issue and rounding the result mathematically to a maximum of four decimal places as determined by the Directors or such other number of decimal places as may be determined by the Directors from time to time.

(b) For the purposes of such valuation, Assets of the Company, shall be determined to include but are not limited to:-

- (i) all cash in hand, on deposit, or on call including any interest accrued thereon as at the relevant Valuation Point and all accounts receivable, (ii) all bills, demand notes, certificates of deposit, and promissory notes, (iii) all bonds, shares, stock, securities, obligations, debentures, debenture stock, forward rate agreements, subscription rights, warrants, promissory notes, futures contracts, options, commodities, asset backed securities, mortgage backed securities, swap contracts, contracts for differences, fixed rate securities, variable and floating rate securities, securities in respect of which the return and/or redemption amount is calculated by reference to any index, price or rate, monetary and financial instruments of all kinds, (iv) all stock and cash dividends and cash distributions to be received by the Company and not yet received by it but declared to stockholders of record on a date on or before the relevant Valuation Point as at which the Net Asset Value is determined, (v) all interest accrued on or before the relevant Valuation Point on any interest-bearing securities owned by the Company except to the extent that the same is included or reflected in, the principal value of such

security, (vi) all other Investments of the Company, (vii) the preliminary expenses incurred in establishing the Company which are payable by the Company and which may include the cost of issuing, distributing, Regulated Marketing and promoting shares of the Company insofar as the same have not been written off and (viii) all other Assets of the Company of every kind and nature including prepaid expenses as valued and defined from time to time by the Directors.

- (c) The Directors shall be entitled to determine in relation to any preliminary costs, charges, fees and expenses that the same may be amortised over such period as they think fit.
- (d) The Assets and liabilities of a Sub-Fund will be valued as follows:-
 - (i) The Assets of the Company and/or of any Fund (which is regulated as a money market fund under the Central Bank's guidelines) may be valued at their amortised cost in accordance with the requirements of the Central Bank. Where an amortised cost valuation method is utilised, an Investment is valued at its cost of acquisition adjusted for amortisation of premium or accretions of discount rather than at current market value
 - (ii) Where any Investment owned or contracted for by the Company is quoted, listed or dealt in on a Regulated Market the value thereof shall be the last bid price as at the relevant Valuation Point provided that the value of any investment listed or dealt in on a Regulated Market but acquired at a premium or a discount outside or off the relevant Regulated Market may with the approval of the Custodian be valued taking into account the level of premium or discount at the date of the valuation and the Custodian must ensure the adoption of such a procedure is justifiable in the context of establishing the probable realisation value. Such premiums or discounts shall be determined by the Directors and approved by the Custodian. Where such Investment is quoted, listed or traded on or under the rules of more than one Regulated Market, the Directors shall, in their absolute discretion, select the Regulated Market, which in their opinion, constitutes the main Regulated Market for such investment or the market which they determine provides the fairest criteria in a value for the security, for the foregoing purposes.
 - (iii) Cash in hand or on deposit and other liquid assets together with prepaid expenses, cash dividends, interest declared or accrued but not yet received and tax reclaims filed but not yet received to the relevant valuation point will be valued at their face value unless in any case the Directors are of the opinion that the same is unlikely to be paid or received in full in which case the value thereof shall be arrived at after making such discount as the Directors may consider appropriate in such case to reflect the true value thereof as at the relevant Valuation Point.
 - (iv) The value of any demand notes, promissory notes and accounts receivable shall be deemed to be the face value or full amount thereof after making such discount as the Directors may consider appropriate to reflect the true current value thereof as at any Valuation Point.
 - (v) Certificates of deposit, treasury bills, bank acceptances, trade bills and other negotiable instruments shall each be valued at each Valuation Point at the last traded price on the Regulated Market on

which these assets are traded or admitted for trading (being the Regulated Market which is the sole Regulated Market or in the opinion of the Directors the principal Regulated Market on which the assets in question are quoted or dealt in) plus any interest accrued thereon from the date on which same were acquired.

- (vi) Exchange traded derivative instruments, share price index, future contracts and options contracts and other derivative instruments will be valued at the settlement price for such instruments on such Regulated Market as at the Valuation Point for the relevant Dealing Day; if such price is not available or where it is not practice for the Regulated Market to quote a settlement price, such value shall be the probable realisation value estimated with care and in good faith by the Directors or other competent person appointed by the Directors, in each case approved for such purpose by the Custodian or any other means provided that the value is approved by the Custodian.
